

## Travelife Annual progress 2024

### Introduction

As a part of our commitment to sustainable development, Coral Sea Imperial Sensatori Resort is proud to release our public sustainability report. The purpose of this report is to inform the hotel guests, team members, shareholders, and all 3<sup>rd</sup> parties with the short term as well as long term strategy, goals, initiatives and performance regarding sustainability activities across the hotel. Generally, we manage to strengthen more and more the economic, social and environmental nature of the enterprise through faithful implementation of series of policies.

### Sustainability Program

The hotel's sustainability program is based on the Travelife requirements. The hotel is certified with the gold standards of Travelife for 2023–2025 and our principal aim is to achieve the gold certification for the forthcoming years 2025 – 2027.

### Progress Update of 2024

#### Supported our Energy Conservation & Sustainability program through:

- Increases Electricity consumption by 4% as we had new enhancements for TUI in 2024 which is: Marhaba restaurant late dinner 00:00-06:00 am (A/C Lighting and equipment) also the Thea`s coffee shop 2 fridges from grab and go food and one freezer for ice cream also We have added new walk in freezer at bakery section also new equipment at kitchen.
- Decreased water consumption by 0.1 % from 2023 to 2024.
- Fuel consumption decreased by 19 % from 2023 to 2024 but in Consumption Cost there were saving by 50% as we used Natural Gas instead of Gas Oil Fuel.
- Overall energy consumption decreased by 2.1 % from 2023 to 2024.

#### Supported local community through:

- Purchased from local vendors/suppliers
- Used a local Bedouin supplier who cuts and recycle/reuses palm fronds.
